

PATIENT PAYMENT POLICY

Our responsibilities

The practice will provide you with a clear breakdown of your treatment costs prior to the treatment being carried out.

The practice will ensure that you fully understand the cost of your treatment

POLICY

The practice operates a Pay As You Go policy.

Full payment for services is expected at the time in which the treatment is carried out.

The practice reserves the right to request payment prior to services and treatment being carried out. Therefore, you may be asked to pay a deposit (full or part payment) towards your future treatment.

The practice accepts the following methods of payments:

CASH

CARD – Visa, Delta, Mastercard, Maestro, Electron & Solo

CONTACTLESS/APPLEPAY

We do not accept American Express

The practice may consider it to be an offence if an overdue balance is not settled promptly after treatment on the day, and may be forced to take further action.

Please speak to your dentist if you wish to discuss alternative payment plans prior to any treatment being carried out.

FINANCE

Please enquire with a member of staff about finance options.
